Annette,

Thank you so much for calling Fred's term expiration to my attention. Please present his name for re-appointment to serve on the Library Board for another term. I will be alert to the term expiring in June, 2016 and will be in touch with you regarding a suggestion for that appointment.

Thanks again for all of your help with this situation. It is truly appreciated.
Kyle

Kyle, I have added the suggested appointment of Jim Gentry to fill Virginia Gordon's position to tomorrow's agenda. Also, in looking at the Library Board, I show that Fred Pinnick's term expired in January 2015, I'm sure he is still serving, but if you could send me an email asking that he be re-appointed I can also get that on the agenda. Also, there is another position vacate on your Board that has an unexpired term ending 6/1/16, if you have someone to recommend to that position, the Board of Commissioners needs to approve and appoint that one also. Let me know today if possible, if you can't then just let me know before our next meeting on July 21st and I can add it to that agenda.
Thanks-Annette

Annette,

Having talked with Fred Pinnick, our Board Chairman, he would like to suggest Jim Gentry to fill the expired term of Virginia Gordon. Since her term expired in January, his appointment as soon as possible will be greatly appreciated. The Board will meet again on the second Tuesday in August for its regularly scheduled meeting.

Jim is a retired doctor and lives on Hall Memorial Road. Fred had spoken to him about his interest in serving knowing he had the time and energy to serve well. He is confident that Jim will accept the appointment if he is appointed by the Board.

If there is additional information you should need, you may contact Fred through the library.

Thank you,
