Mr. Ledbetter,

I was checking to see if we could get one more vehicle surplussed that the drug unit has been using for several years. The vehicle is a 2001 Buick Regal 4 door; VIN: 2G4WB55K311141125. Are plans are to try and either sale it or trade for something that we can use. The vehicle has several mechanical issue and high mileage. I didn't realize it, but the vehicle was titled under the Gordon County Sheriff Department and for some unforeseen reason, we have the title. Let me know if we need to bring the title to David or just wait until it's declared surplus and then bring it for you to sign.

Thanks
