Subject: RE: Local Approval for DCA Grant

Annette,

We use DCA funds to pay for utilities at our houses. So they are primarily used for electricity, gas, water, and sanitation. We generally ask for \$3,000 on each house per year, based on our experience with those utilities. If you have any other questions, please let me know.

Thank you for your help,
Mike

Mike, I know that the Board of Commissioners were involved and approved, several years ago, the Farmville house and the house in Blackwood subdivision listed on the attachment you sent. I think the Board might question what the \$3,000 for each of these houses is going to be used for. Can you furnish that information and then I'll give this to our County Attorney for her approval before presenting to the Board.
Thanks-Annette

Ms. Berry,

Please find the attached local government approval form that we spoke about. If you could, please send me a response to this email stating that we are on the agenda for approval. That will be fine for our initial application. Once the form is signed, you can scan and email it to me at this email address, or you can fax it or mail it to my attention using the contact information below. If there are any questions, please feel free to contact me.

Thank you for your help,

Michael B. Thomas
