Fred Penick, 414 E. Belmont Drive. 706-624-9510. f2pens@yahoo.com

Fred is a frequent library user and a member of the Friends of the Library. He is a retired business man and would be useful to the renovation project. He is willing to have his name put into the hat. (His house is in the county, but the city paves his street in the Peters Plantation area). Let me know if you need more info.

Thanks, Ed

Randy--here is Coleen's resignation from the library board after one meeting. Do you have a list of eager volunteers or perhaps a commissioner's spouse or significant other waiting breathlessly for an opening? Or do you want a name of a county resident to recommend? We have representatives from Resacca and Ranger now. Let me know; I have someone in mind if you want.

Also, I hope you can make the meeting with Raymond Clark, our architect, on May 1 @ 1:00 in the library.

Thanks, Ed

Hi Ed. I regret to tell you that I will be unable to attend the meeting. Since my father's death a year ago, I have devoted a lot of my time outside of work to my mother. I am already involved in the Little Theatre at the HAC. I don't want to have to give that up. I have already turned down serving on another board through Roberta Charrbonneau. My time is just so limited that I feel that I must give up serving on the library board at this time. When Wayne asked me if I would move into his place, I agreed in good faith, but I need to get my priorities straight. Please know that I will always support the library and always have since I arrived here 43 years ago. Please accept my apology, and I hope to see you in the future.
