Subject: Health Insurance Renewal

I met with John Meadows this morning and he says he has been able to get the renewal down a little by making the following changes:

Increase the Stop Loss

Currently at \$95,000 Change to \$105,000

Change the Drug Card

Currently 10-20-40 Change to 10-30-60

Increase the Deductible

Currently \$500 Change to \$750

If we make all these changes we will get a renewal for 4.5%, contingent up signing the renewal contract before May 15th.

Can you please put discussion of the insurance renewal on the agenda for the work session of the May 1st. I have asked John Meadows if he can be present, for this meeting but have not gotten a response as yet. I will let you know as soon as I hear from him.

Thank you,
