Subject: Calhoun KOA special ordinance request

Annette, Please attach the following in my request to speak with the county board about my request.

To the Gordon County Board, We at the Calhoun KOA Campground are going to host Calhoun KOA's "Smokin up the Campground" BBQ Cook-Off. The event will be held on Nov.30th-Dec. 1st. This will be a sanctioned KCBS BBQ Contest. As part of the event we are going to have a Motorcycle Poker Run and a Car Show. The profits from these events are being donated to The United Way of Gordon County. We will be having 3 bands, food and art vendors. One of my food vendors has asked about the possibility of selling beer, along with food. The vendor is Sharkey's restaurant. He has a state license to serve alcohol at his restaurant presently. We would be requesting to allow him to sell food and alcohol at our event. We would have him set up in under our 25' x 40' pavilion, that we will have roped off. We will have security on the park for the event, and we will have security at the entrance/exit of the pavilion. We hope that you will consider our request.

Sincerely,

Aaron Walkover
Calhoun KOA Campground
