I haven't received any interest from anyone. Alvin is not on the commission, its Kenny Padgett, Betty Ann Surdykowski, and Jane Powers Weldon. Stanley Chambers and David Mitchell are the two coming off.

Subject: HPC terms expires

Annette, I have two members on the HPC that their terms will be expiring in June. They have been on our board since it started so they do not qualify to be reappointed. I have one position who's appointing authority would fall under Chad Steward and one position who's appointing authority falls under Becky Hood. So we need some new members please. Thanks, Ursula
