Kevin, thanks for catching that. The Board probably needs to discuss that at the next meeting and decide on which date to change the meeting to. I'll add that item to the next work session for discussion by the Board.

September 29 - October 1

We have a meeting Tuesday October 1st. I don't think we can make it back in time for the meeting. If Jeff and Norris are going we would need to change the meeting to Thursday October 5th or the following Tuesday October 10th
