Dear Annette,

I would appreciate the opportunity to provide the Commissioner's with a brief status report on the rivers and lakes in Gordon County at the next Work Session on Tuesday, November 19th at 5:00 PM. I will not need any special equipment for the presentation and anticipate I will speak for approximately ten minutes although I could certainly talk for about two hours if you like. If there is any other information you require prior to next Tuesday's meeting please let me know.

I sincerely appreciate all that you do. Take care.

Dan McBee
