Subject: Allocation Packets

Attached is the complete allocation packet for you to use on-line.

Please note there are two pieces of information that require signatures.

1. The Patriot Acts requires your signature
2. The Agency and United Way agreement requires you Board Chairperson's Signature.

Also, please be aware that you must discuss with your board and document it in the minutes your discussion of how the Board wants to use the allocation dollars this year. I realize that some of you may have problems getting the board information by March 26. I must have it by April 15 when we have our meeting with the panels. If that is the case please include the date of your next board meeting so I will know you will be sending it.

Please note that I have tried to explain how I want the packets returned. If you have questions, please call. For

agencies we need 10 packets as listed on the cover sheet and Ventures need 3.

Thanks so much.
