RE: Public Hearing for Beer/Wine License for Highway Express

The convenience store at Highway 225 and Pine Chapel has been sold to the Shine Group, Inc. The store location has had a beer/wine license for several years, so this application for Highway Express is basically a change of the name of the store and a change of ownership. Mr. Ronald Williamson, the current manager and applicant for this permit was also the manager for the previous owner of the store and he was also the applicant on the previous license application.

Our ordinance says that, after the application is complete, a public hearing will be scheduled on the application by the commission. This is that public hearing. Once the application has been advertised in the paper for four weeks this application will come before the Board at their next meeting for consideration of approval.
