We have two HPC members who are nearing their term. One, Kenny Padgett, would like to be reappointed if the Commissioners approve. Jane Powers Weldon does not wish to be reappointed. I will send another letter of recommendation by the end of the week for her position. Let me know if there's anything else I need to do. Kenny Padgett's reappointment recommendation is attached.

Gordon County Board of Commissioners –

I am writing on behalf of the Gordon County Historic Preservation Commission. Kenny Padgett's term on the commission is expiring this month. He wishes to remain on the Historic Preservation Commission and is asking to be reappointed to this commission. There has been a lot of progress with the Historic Preservation Commission and the group as is works together to accomplish the goals of the commission.

Thank you for your consideration on the reappointment.
