Gordon County Board of Commissioners
201 North Wall St.
Calhoun, GA 30701

Dear Chairman:

The Georgia Department of Transportation has prepared a revised List of Roads for Gordon County.

The changes made reflect the addition of Folsom Road, Owens Gin Road, and Pine Chapel Road to Gordon County List of Roads along with increases of the posted speed limits of the said roads.

Upon your review and approval of the attached List of Roads, please forward the signed original as provided List of Roads to this office at P. O. Box 10, Cartersville, Georgia, 30120. We will then forward the information to the Department of Public Safety with a recommendation that an updated Speed Detection Device Permit be issued to the Gordon County Number 06-11-14, being the controlling document.

Also, please remember that Gordon County will be responsible for installing and maintaining of the appropriate signs for the Off System roads listed in the List of Roads. Signs should be in accordance with the Manual on Uniform Traffic Control Devices. The Department of Transportation will be responsible party for the placement of all On System signing.

If this office may be of additional assistance, or if you would like to discuss this matter further, please contact Donovan Tucker at 770.387.3636.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dee Corson".
