Annette,

I was going to prepare copy for the public hearing at the same time as the work session on October 7th. Should the public hearing be at the beginning of the session? What time should I put?

Dave

I will schedule the public hearing at 5:30 pm. The work session may begin at 5:00 if the Board has lots to discuss, but I won't know that until a couple of days before the meeting, so scheduling at 5:30 would be a safe time to choose and to schedule this far in advance.
