Gordon County Board of Commissioners
201 North Wall St.
Calhoun, GA 30701

Dear Chairman:

The Georgia Department of Transportation has prepared a revised List of Roads for Gordon County.

The changes made reflect the lowering of the school zone speed limit from 45 to 35 MPH at Sonoraville High/Middle/Elementary Schools on State Route 53.

Upon your review and approval of the attached List of Roads, please forward the signed original as provided List of Roads to this office at P. O. Box 10, Cartersville, Georgia, 30120. We will then forward the information to the Department of Public Safety with a recommendation that an updated Speed Detection Device Permit be issued to the Gordon County Number 11-26-14, being the controlling document.

Also, please remember that Gordon County will be responsible for installing and maintaining of the appropriate signs for the Off System roads listed in the List of Roads. Signs should be in accordance with the Manual on Uniform Traffic Control Devices. The Department of Transportation will be responsible party for the placement of all On System signing.

If this office may be of additional assistance, or if you would like to discuss this matter further, please contact Michael Long @ 678-721-5294.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. Grant Waldrop".
