The Gordon County Sheriff's Office is requesting that the Food Services at the Gordon County Jail be placed out for bid. The current food vendor, Trinity Food Services, has been operating since the opening of the new Jail in 2009. The current contract with the County is set to expire on June 30, 2015 however it is required that a 90 day notice be sent to the vendor to terminate the contract or else it will automatically renew for 1 year. We are requesting that a 90 day letter be sent to the current vendor and that the Purchasing Department prepares a new RFP to solicit responses for the inmate food services.

Thank you

Pat, will you send me an email requesting that the Board approve the Purchasing Department soliciting responses for an RFP for inmate food service at the jail.

I'll use your email as backup for adding this item to the Board's work session agenda for discussion Tuesday March 17..

Thanks-Annette
