Good morning Annette,

It appears that the Gordon County Public Facilities Authority may be the preferred mechanism for financing the purchase and renovation of the BB&T building. The local legislation establishing the Authority mandates that the BOC Chairperson is a member. The Authority requires two other members. These other members cannot be commissioners, must be twenty one years old, must have been a resident of Gordon County for two years and no felony record. I recommend that we place the appointment of two board members as an agenda item for our next meeting.

Do you know whether the Authority has a seal? If not, we need to order one. Also, the Board members will need to be added to the ACCG liability policy. Thanks for your assistance.

Yours truly,

Jim
