Annette,

My board voted during our monthly board meeting held on July 21st, 2015, for the Gordon County Board of Commissioners to declare the "Old Shoup Leaver Voting Machines" Surplus Property. They will then be sold for \$100.00 each to any municipality that would like to purchase them. If they are not purchased by a municipality then they will be sold as scrap metal.

Thank you,

There are 12 machines
