As we discussed via telephone: Carole Vogel has missed three consecutive meetings (attending only once since appointed). per our bylaws, Article V, Section 6: Attendance Requirement:

A Board Member shall be removed for cause of failure to attend three consecutive board meetings. A letter reporting the removal and specifying the cause shall be sent to the affected board member and to the appointing authority responsible for his or her appointment. The local appointing authority shall be asked to appoint another representative to fill that member's unexpired term.

Carol W. Vogel's address is 3148 Highway 411, Fairmont, Ga., 30139.

My suggestion to fill the remaining term of two years is:

Amy Beason. Ms. Beason is the mother of three school age children. Ms. Beason is assistant principal of Sonoraville Elementary School. Her appointment would give the library representation in the Sonoraville-Farmville area of the County as well as a solid connection to the County School System. Her home address:

226 Woodford Way SE
Calhoun, Georgia 30701
706-624-5610

It is my understanding that you will notify Ms. Vogel of her separation from the Board.

The Calhoun-Gordon Library Board thanks you and Mr. King for your continued support.

Fred R. Penick
Library Board Chairman
