Annette and John,

Please see below. The Gordon County School District would like to present an informational power point at the BOC meeting on Tuesday, September 15. Can we place them on the 6:00 agenda?

Subject: Commissioner's meeting

Good morning!

Patricia and I will be at the Commissioner's meeting on the 15th to deliver our PowerPoint from the public hearings we conducted. What time do we need to be there and will we have access to a computer and projector?

Thanks,

Mendy Goble, cpa
