To The Board of Commissioners.

My name is Angela Crowe  
I am addressing this matter  
in reference on Be half of my  
mom, Diane H. Jeter Sprouse.

My mom owes this Bill of  
1668.<sup>01</sup> as of today. These taxes  
are for this land on 854 ALBUS COURT.

My mother is on a fixed income  
and has no way of paying this  
Bill. She bought this land almost  
20 to 30 years ago. A lot has  
changed since then. She lost her  
job, income, and insurance. When the  
economy changed, she lost everything  
including her health. She is now  
on Social Security. She is disabled.  
Several years ago she tried to  
give the land & Deed Back. My  
mother just does not have the funds  
to take care of this Bill. She does  
not even have the money for  
all of her meds each month.  
And her health is not well.

I am her daughter and I  
decided to try and help her out on  
this matter of 1668.<sup>01</sup> This dept  
has interest on this Bill. I am  
asking of The Board of Commissioners

To reduce the interest on this debt, or at least knock some of the interest off that she owes.

I would greatly appreciate from me (Angela Crowe) if the Board of Commissioners to reduce this request for me. Then I can take care of this issue.

Talking Rock Creek refused to accept the Quick claim deed back from my mom (Diane Sprouse).

If the Board of Commissioners would work with me on reducing the interest on these taxes that she owes, then I would like to pay off the remaining of the bill.

So that both parties Golden County and Angela Crowe, works out for the good.

Sincerely,  
Angela Crowe
