

AN ORDINANCE TO AMEND THE CODE OF GORDON COUNTY, GEORGIA WITH  
RESPECT TO **CHICKENS AND POULTRY KEPT FOR NON COMMERCIAL  
PURPOSES**

The Commissioners of Gordon County, Georgia hereby ordain as follows:

Whereas, many people in the unincorporated areas of Gordon County have expressed a desire to keep chickens at their residences for eggs, meat, or as a hobby. Currently, a person must have 5 acres and A-1 zoning to keep chickens. In fact, many people are already keeping chickens even though it is not allowed under current zoning requirements.

Whereas, the County Code Compliance Officer has received complaints that some chickens have become a nuisance because they have not been contained on the owner's yard. Noise, waste and smell have also become a problem in certain circumstances.
