STIPULATIONS:

REZONING APPLICATION #Z16-02, MARTHA ANN HALEY

Chairman Rule read rezoning application #Z16-02, Martha Ann Haley, requesting to rezone a 2 acre tract located on Lovers Lane, Calhoun from A-1 to C-C. Mrs. Haley represented the request explaining that she has a potential buyer, Marty Carroll, for the property and he wants to build a beauty salon for his wife since he has the adjoining property and operates a business already. Gary Beisser, an adjoining homeowner to the rear of the proposed rezoning, spoke that he would be in support of the rezoning if the construction and operation is only a beauty salon and a 50 foot buffer be along the north and east boundaries of the property. Christine Fisher, the applicant's daughter, spoke in support to the rezoning. Marty Carroll, the proposed buyer, explained that he only wanted to build a small plaza that would house his wife's beauty salon and possibly a small retail business to lease. He also added that he would comply with buffer requirements. All adjoining property owners had been notified.

Ursula Desrosier, Zoning Administrator for Gordon County, recommended that the rezoning request identified as Application #Z16-02 be approved.

Eddie Smith made the motion to approve the rezoning application identified as #Z16-02 from A-1 to C-C. Nathan Serritt seconded the motion. All voted aye. The recommendation for approval was sent to the Board of Commissioners.

ADDITIONAL BUSINESS

There being no additional business, Nathan Serritt made the motion to adjourn. Jerry Lovelace seconded the motion. All voted aye. The meeting was adjourned at 6:24 p.m.

Departmental Reviews

It shall be understood that the following Departmental Review requirements, if any, shall be satisfied by the Applicant in addition to all standard County zoning, building, and development codes prior to the issuance of any land disturbance permit, building permit and/or certificate of occupancy, as deemed applicable by the County building official relating to the subject proposal if said proposal is approved by the Gordon County governing authority.

- * **Environmental Health Services:** Zoning issue is fine with EH. Just be sure owner knows this property is on septic and they must come to my office before disturbing land.
- * **Building Department:** No comment.
- * **Fire Department:** O.K.
- **Gordon County School System:** N/A
- **Road Department or Georgia of Transportation:** Driveway permit and design required before start of construction. Commercial requirements apply.
- **Water & Sewer (City of Calhoun):** This area is served by a 6" water line. No city sewer service in this area.
- **Zoning Division:** A Notice of Public Hearing has been properly advertised in the local newspaper, zoning application fees have been paid and Applicant has been advised to post a Notice of Pubic Hearing on the subject property.

Planning Staff Findings & Recommendations

The following standards from Section 10.03.0212.6 of the Gordon County Unified Land Development Code (ULDC), in addition to the Departmental Reviews above, have been considered in the findings and recommendations of the planning staff:

1. Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property.

The adjacent and nearby properties are commercial and industrial zoned also backs up to a residential subdivision.

2. Whether the proposed zoning will adversely affect the existing use of usability of adjacent of nearby property.

The proposed zoning will not affect nearby properties anymore than current adjacent land use.

3. Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned.

The subject property would not be desirable as currently zoned for a residential use.

4. Whether the proposed zoning will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

The proposed zoning will generate additional traffic and could possibly impede on the traffic flow.

5. Whether the zoning proposal is in conformity with the policy and intent of the Future Development Map and Comprehensive Plan.

The subject property is classified as Emerging Mixed Use Center – Community Node on the Gordon County Future Development Map. This classification supports land uses intended for mixed use (commercial, retail, residential), Civil/institutional, passive and active parks. The proposed zoning is consistent with the Future Development Map.

6. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approved or disapproved of the zoning proposal.

The subject property is consistent with the development pattern as being close to the commercial oriented crossroad of Lovers Lane Road and Dews Pond Rd.

Planning Staff's Recommendation:

The rezoning request identified as Application #Z16-02 be approved.
