Renewal Proposal	Contribution
Renewal Contribution:	\$352,881
Less Safety Credit:	(\$10,000)
Less Dividend Credit:	(\$34,186)
Net Contribution Due:	\$308,695

*The deductible will apply to all losses and all lines of coverage subject to a maximum of one deductible for all claims arising from a single loss. For scheduled properties in Special Hazard Zones for Flood, the deductible is the maximum limit available under the National Flood Insurance Program or if unavailable, \$500,000 for building or structure and \$500,000 contents. Highest applicable deductible will apply.

ADDITIONAL LIMITS OF LIABILITY COVERAGE

Your Limit for Liability Coverage (Included in Contribution Above): \$5,000,000
Note that these are the limits you chose last year. With \$1,000,000 on Auto Liability

(If Automobile Liability is specifically itemized in Your Limit of Liability Coverage above, that limit will remain the same even if you increase the other liability limits.)

For those members buying a General Liability limit of \$4,000,000 or more, liability arising out of dams which are either 25 ft. or more in height or have an impounding capacity of 50 acre ft. or more will be limited to \$3,000,000 per occurrence unless underwriting requirements are met and the ACCG-IRMA Coverage Agreement is endorsed. Should you have questions about coverage on a particular dam, please call Marsh, the ACCG-IRMA Administrator, at 1-800-295-8179.

PLEASE SEE NEW SECTION REGARDING UNINSURED MOTORISTS COVERAGE

OPTIONAL UNINSURED MOTORISTS COVERAGE

Uninsured Motorists coverage provides a source of recovery for the negligent and tortious acts of an owner or operator of an uninsured motor vehicle. County governments are not legally responsible for the liability caused by uninsured motorists. Any bodily injury suffered by a county employee during and in the course of employment is covered by Workers' Compensation; otherwise, their injuries should be covered by their health insurance. Physical damage to county-owned vehicles should be covered under the Physical Damage section of the ACCG-IRMA Coverage Agreement.

Your current limit for Uninsured Motorists coverage is \$0. Should you wish to amend this coverage selection please call Marsh, the ACCG-IRMA Administrator, at 1-800-295-8179.

The Honorable Becky Hood, Chairman
Gordon County
P.O. Box 580
201 North Wall Street
Calhoun, GA 30701

Attention: The Honorable Becky Hood, Chairman

Attached is a summary of the ACCG – Interlocal Risk Management Agency (ACCG-IRMA) renewal for the property and liability insurance coverage provided to your organization for the coverage period July 1, 2016 through July 1, 2017. The entire renewal packet, Contribution Worksheet, invoice and a copy of this letter have been provided to the person copied on this letter. This includes an overview of the coverage and services provided by the ACCG-IRMA, a list of your fellow members, and a service contact list.

This marks our 30th year of providing insurance and risk management services for Georgia county governments. The structure of the ACCG-IRMA is designed to insulate the membership from the cycles of the commercial insurance market, which helps provide stability for county government budgets. Please note however, an individual member's renewal contribution may vary based upon the member's particular exposure increases/decreases as well as its loss experience.

On behalf of the ACCG-IRMA Board of Trustees, I am very pleased to inform you that the Board declared a dividend of \$2,750,000 at its May 9, 2016 meeting. This brings the total dividends returned to the ACCG-IRMA membership to \$25.4 million. The fund has always operated conservatively, which has served the membership well, especially during the current economic conditions. We are pleased to return dividends during times when our county government membership needs it the most.

The ACCG-IRMA has the ability to return dividends to its members because it is a member-owned and non-profit organization. Since its creation in 1987, the ACCG-IRMA has grown from its original 14 members to its current membership of 163 and has become a very financially strong program. As stated in the March 31, 2016 ACCG-IRMA financial statement filed with the Georgia Insurance Commissioner's office, it had assets of \$118 million. While all insurance organizations must maintain a sufficient level of surplus to assure adequate funding, excess surplus may be returned to the membership. The ACCG-IRMA Board, its consultants and financial advisors believe that the ACCG-IRMA's healthy financial position allows for the prudent distribution of another dividend with this renewal.

This year, the dividends are derived from non-required surplus funds developed from the coverage periods October 1, 2003 through September 30, 2007. The \$2,750,000 dividend will be returned in the form of dividend credits on the contribution requirement for the term beginning July 1, 2016 for those members who have had continuous membership in the program since the October 1, 2006 - 2007 coverage period.

Your share of the dividend is \$34,186. Enclosed is a press release should you decide to publicize this information.

In addition to long-term cost savings through dividends, the ACCG-IRMA provides members with a stable source of broad insurance coverage, comprehensive loss control services and dedicated, professional claims services. Because the ACCG-IRMA operates solely for its members, it can provide specialized property and liability insurance coverage and services in a cost-efficient and highly effective manner.

HR Legal Service

ACCG-IRMA introduced a new tool for its members earlier this year – an HR Legal Service designed to help counties handle difficult employment situations. The member's appointed HR Liaison or the member's public officials or attorney may consult employment law specialists at O'Quinn & Cronin to seek assistance when needed at no additional cost to the member.

Insuring Georgia's Counties.

Cyber Risk Coverage

The ACCG-IRMA Coverage Agreement provides \$1,000,000 in coverage for each member for liabilities arising out of the actual or reasonable suspected release of private or confidential data or a violation or failure of the security of the member's computer system. **This year, we have expanded the coverage provided for regulatory penalties, event management, notification of affected parties and remediation.** Higher limits are available upon request for an additional contribution. More details are provided under the Coverage & Limits section of this proposal.

Flood and Earthquake Coverage

The ACCG-IRMA provides limited Flood and Earthquake protection to you as noted in the Coverages and Limits section of this proposal. Higher limits may be available upon request for an additional cost.

Note that any property located in a Special Hazard Zone for Flood (Zones A or V) must be properly identified as such on the enclosed Statement of Values or Flood coverage will be excluded for that particular location. Those locations in Special Hazard Zones have a deductible of \$500,000 per building and \$500,000 contents before the Flood coverage provided by the ACCG-IRMA will apply, and coverage will be sub-limited to \$1,000,000 per Occurrence and Aggregate for these locations. (Your standard property deductible applies for all other covered locations.) Upon written request from you, our administrator, Marsh, may arrange coverage through the National Flood Insurance Program (NFIP) to satisfy the ACCG-IRMA deductible requirements for locations in Special Hazard Zones. Should you have particular concerns about any of your locations' flood zones, how these provisions affect you, how to obtain a quote and coverage from NFIP (if necessary), or the cost to increase your limits, please call 1 (800) 295-8179 or (404) 995-3607.

Contribution Worksheet- Deductible and/or Coverage Options

It is imperative you return the Contribution Worksheet by July 1st via fax or regular mail to Glenda Williams at MARSH. Please note on the Contribution Worksheet that we may have offered deductible options in addition to options for higher limits of liability insurance. The costs of these options are shown on the Worksheet. **If you elect to change your deductible(s) or your liability limits, please circle the option(s) you desire.** If a claim occurs after the new coverage period begins and before we receive notice of a change in deductible and/or limits, last year's deductible and/or limits will apply.

Payment is due upon receipt. If you opt for any changes in your deductibles, limits or coverage, we will invoice you for the difference upon receipt of your completed Contribution Worksheet.

Safety Discount

Many ACCG-IRMA members who met specified loss control requirements will receive a discount on their renewal contribution. If you qualified for this discount, the amount of the discount is shown on the Contribution Worksheet and the invoice. We appreciate those members who have taken advantage of this initiative designed to further encourage the members in the reduction and mitigation of property and liability losses.

On behalf of the ACCG-IRMA Board of Trustees and the ACCG-IRMA team, we express our appreciation for your continued support of the ACCG Insurance Programs. The success of the programs is directly attributable to your entity's long-term commitment to its membership.

Sincerely,

David C. Uhlman, CPCU
Director of Property & Casualty Insurance Programs

cc: Mr. David Gibson, Risk Mgmt Coordinator

ACCG-IRMA COVERAGE AGREEMENT CHANGES

The following changes to the ACCG-IRMA Coverage Agreement effective July 1, 2016 were approved at the ACCG-IRMA Board of Trustees meeting on May 9, 2016:

GENERAL COVERAGE DECLARATIONS

- Clarify definition of "Member" regarding those involved in multi-jurisdictional organizations.

SECTION I – PROPERTY COVERAGE

- Change "Professional Fees" to "Claim Preparation Fees and Expenses" and alphabetize several sublimits.
- Amend Land/Pavements exclusion so coverage for specified causes of loss applies to pavements, sidewalks, parking lots and culverts at a covered location; athletic fields; and water contained within any enclosed tank, piping system or any other processing equipment.
- Add exclusion for sod, grass, greens or tees (unless scheduled) at golf courses.
- Improve Earthquake coverage by increasing the time period for an Earthquake from 72 hours to 168 hours.

LIABILITY SECTIONS

- Add mental anguish clause to auto liability definition of Bodily Injury.
- Increase automatic automobile acquisition coverage from \$100,000 to \$250,000.
- Remove terrorism exclusion for liability. Previously, a \$1,000,000 limit was provided for the pool, so this is an expansion of coverage.

CYBER LIABILITY & EXPENSE COVERAGE

- Improve Cyber Coverage by increasing Privacy Response Expense Aggregate Limit from \$100,000 to \$500,000 and Regulatory Penalties and Claim Expenses Aggregate Limit from \$50,000 to \$250,000. The deductible will be amended to be the same as the Member's Public Officials Liability deductible, not to exceed \$25,000.

ENVIRONMENTAL COVERAGE

- Expand timeframe of when Bodily Injury or Property Damage must begin and end from "72 hours" to "7 consecutive days." It still must be reported within 30 days and be caused by one of the specified causes of loss.
- Expand coverage from smoke, fumes, vapor or soot from equipment used to heat the building to "heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests."

PRESS RELEASE

FOR IMMEDIATE RELEASE

GORDON COUNTY RECEIVES DIVIDEND FROM ACCG INSURANCE PROGRAM

ATLANTA, GA (May 24, 2016) – **Gordon County** has received a share of a \$2.75 million dividend declared by the Board of Trustees of the Association County Commissioners of Georgia – Interlocal Risk Management Agency (ACCG – IRMA), the property & liability fund for Georgia county governments. **Gordon County's** dividend, in the amount of **\$34,186**, will be applied in the form of a credit towards their property and liability premium for the 2016 – 2017 policy year.

The ACCG – IRMA is a non-profit, Georgia county government-owned insurance fund, providing property and liability insurance coverage to its members since its inception in 1987. Georgia law, enacted at the request of Georgia county governments, authorizes county governments to form non-profit insurance funds, which operate much like mutual insurance companies. These non-profit insurance funds allow Georgia county governments to purchase insurance coverage at cost-efficient rates that are typically better than a county could negotiate on its own. The fund is owned by the Georgia county participants and managed by a Board of Trustees who represent participating Georgia counties. It is an efficient method of financing insurable risks, which ultimately reduces insurance costs for participating county governments and benefits the taxpayers. Participants also receive extensive loss control and safety services to help mitigate claims.

“The \$2.75 million dividend is the largest in the program’s 30-year history,” said Charlie Newton, McDuffie County Chairman and Chairman of the Board of Trustees. “This program provides an outstanding service to counties and authorities throughout the state and allows us to cost-effectively manage our risk management and insurance needs.”

Any insurance premiums which are not used to pay claims and operating expenses, as well as any investment income earned on the premium while it is held to pay claims, belongs to the member county governments. The dividends are possible because of favorable results in the investment of premium dollars held in reserve to pay claims, as well as the successful and dedicated management efforts on the part of **Gordon County** in promoting safety and implementing loss control techniques.
