Gordon County Board of Commissioners  
201 North Wall St.  
Calhoun, GA 30701

Dear Chairman:

The Georgia Department of Transportation has prepared a revised List of Roads for Gordon County.

The changes made reflect updating Mile Post, removal of 45 mph section on State Route 53 between Mile Post 15.78 and 17.50. Also, removed the 45 mph section on SR 136 as it approaches State Route 225, Mile Post 13.68 to Mile Post 13.93. The removal of the 45 mph speed zone requires no signing changes because the speed limits signs have not been in place for years. Also, the City Limits of Fairmount have been revised on US 411/ State Route 61. No Off-System roads were revised.

Upon your review and approval of the attached List of Roads, please forward the signed original as provided List of Roads to this office at P. O. Box 10, Cartersville, Georgia, 30120. We will then forward the information to the Department of Public Safety with a recommendation that an updated Speed Detection Device Permit be issued to the Gordon County Number 07-22-16, being the controlling document.

Also, please remember that Gordon County will be responsible for installing and maintaining of the appropriate signs for the Off System roads listed in the List of Roads. Signs should be in accordance with the Manual on Uniform Traffic Control Devices. The Department of Transportation will be responsible party for the placement of all On System signing.

If this office may be of additional assistance, or if you would like to discuss this matter further, please contact Stanley McCarley @ 678-721-5324.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. Grant Waldrop".
