**Yes, the commissioners probably will be at the courthouse about 5:45, their work session is very short this time so I think they will have about 15 minutes to meet with the students.**

Yes. Still coming on 1 NOV. I have asked the class to arrive at 5:30 so we can discuss the process and maybe meet the commissioners ahead of time. Would that work?

Just wanted to confirm that you are still planning to bring the leadership class to the BOC meeting Tuesday Nov. 1. I need to arrange for the meeting to be in the main courtroom of the Courthouse and to have security detail scheduled. Just let me know.

Thanks-Annette
