Annette,

Here are the vehicles that I need to get surplussed so we can sale at the next Board of Commissioners meeting:

2001 Chevy Tahoe VIN: 1GNEK13T21R136016 (Seized by Sheriff's Office on March 19, 2013)

2004 Acura TL; VIN: 19UUA662X4A007453 (Seized by Sheriff's Office November 5, 2209)

These vehicles are currently titled in the Gordon County Board of Commissioners and have been used as Detective vehicles. Mechanically the vehicles are no longer viable options to drive, therefore, we are asking that they be declared surplus so we can sale them. If you have any questions, please let me know.

Thanks

—
