Reference: Resaca Battlefield Historic Site Use Request

Date: March 6, 2017

On March 1, 2017 a unique request was made by Barry Caudle and Susan Kirkland on behalf of the Southern Paranormal Investigators to conduct a nighttime paranormal investigation on sections of the Resaca Battlefield Historic Site. The proposed date would be on a Saturday night in March or April still to be determined by weather. This investigation would be limited to only several key areas of the battlefield.

The Southern Paranormal Group has agreed to share any interesting finds with Gordon County for their use in the future.

The logistics shall be handled by Ken Padgett who would serve as a historical guide and ensure safety issues are addressed. Don Holley of Parks and Recreation would be notified prior to the site visit.

The HPC makes the recommendation by a majority vote of (5-0) that the Board of Commissioners approve this request.

Respectfully submitted,

Ken Padgett

Chair, Gordon County Historic Preservation Commission
