Rachel Brooks
County Director
Division of Family and Children Services
Region 1

Dear Mrs. Brooks:

Effective immediately with this letter I resign my position with the County board.

I tender my resignation due to a change in my duties at the department, which leaves me little time to commit to the responsibilities required for this position.

It has been a great privilege to serve on the board of the Division of Family and Children Services. During my time on the board, I feel we have accomplished many goals, and a number of steps have been taken to make Region 1 stronger and more efficient. There is undoubtedly more work to be done, but under your prudent leadership and Chair Dianne Kirby as well as the entire Region 1 team, I feel future progress is imminent.

I am grateful to you, and to the board, for having given me the opportunity to be involved with these remarkable people and this special institution.

Sincerely,

Captain Torly Fyfe
Calhoun Police Department
