

To: Gordon County Board of Commissioners

For: Gordon County Historic Preservation Commission

Reference: Resaca Battlefield Historic Site Use Request

Date: August 6th, 2018

A request was made by City of Adairsville Police Chief Mike Jones to conduct a Spike-Strip Training Course at the Resaca Battlefield Historic Site. The park road has been used by Gordon County Sherriff's Office in the past for this type training without incident.

The course would be conducted within the next sixty day during closed dates and times of park operation. The course would be supervised by Post (Police Officer Standard Training) instructors.

On the August 6th, 2018 meeting the HPC approved this request by a majority vote in favor and recommends that the Board of Commissioners considers final approval of this request.

The logistics of the gate opening be coordinated by Ken Padgett.

Respectfully submitted,

Ken Padgett

Chair, Gordon County Historic Preservation Commission
