

**TO: Board of Commissioners**

**FROM: Annette Berry**

**DATE: September 21, 2018**

**RE: Resaca Compactor Site**

---

**Gordon County has had a lease agreement with Mr. William Worley for many years for the Resaca compactor site. Mr. Worley has passed away and the current lease agreement ended in July, 2017. Mr. Worley's son came by the office and requested a new lease agreement for a new 2-year period, raising the rent for the property from \$270 per month to \$750. The new lease will be with William Worley's wife Mrs. Moline Worley, and she also requests no charge for dumping of her trash at the compactor site.**
