Jim,

As we discussed this morning in budget meeting, Lamar John Ray will need to be re-appointed to the board, BEFORE June 30,2019 as we do not want our board to become non-current while we have assessment notices out, especially on a year we are looking at schedules changing for commercial accounts.

Bodie (Lamar John Ray) does want to be re-appointed to the board. Jerry Barton's term is up December 31st, 2019 and he has said he may not want to be re-appointed, as he and Linda are looking at moving closer to his daughter and grandson. He will make his mind up and I will let you know in November as we may have to reach out and get someone new. This board member has 2 forty hour classes and 2 20 hour classes to attend to be certified, and must attend the annual law update in May each year with me so it will require someone who can commit to the classes. I am hoping that Jerry decides to stay on but there is the possibility he will not.

Anyway, if you could PLEASE be sure to get Bodie reappointed, at least by the first June meeting so we can get him sworn in, and DOR notified so I can get his Certificate of Eligibility updated, as this will be during the appeal time . Remember we are required to post on the wall the BOA Certificate of Eligibility and the Appraisal staff certifications. Attached is a copy of the BOA members Certificate of Eligibility.

Thanks
