Re : Request for Declaration of Surplus Property

Dear Administrator Ledbetter and Board Members:

I have attached a list of twelve (12) Sheriff's Office firearms (5.56 mm 'AR' type rifles) which are County (GCSO) owned property but which are now outdated/obsolete. These firearms are no longer needed by GCSO for any purpose. We would request that these twelve (12) items be declared surplus property, with the caveat that they be exchanged in consideration of the acquisition of new (replacement) rifles from an approved vendor.

Thank you,

Robert L. Paris
Chief Deputy Sheriff

Re : Request for Declaration of Surplus Property *From GCSO Dated Monday, 7th October, 2019*

Dear Administrator Ledbetter and Board Members:

Regarding a (written) request from this Office for the Declaration of twelve (12) 5.56mm 'AR' type rifles as Surplus, dated Tuesday, 7th October, 2019 and described/enumerated on a separate (attached) page, we would now request that the Bushmaster® 5.56mm rifle serial number BFI426910 be **removed** from the list and **not** declared surplus. Inspection of this firearm revealed it to be subject to additional federal regulations which would need to be addressed as a separate matter. I apologize for this oversight, and appreciate your attention to this matter.

Thank you,

Robert L. Paris
Chief Deputy Sheriff
