1.5 Local Bidder Privilege

The County has, within the purchasing policies, a Local Bidder Privilege as defined below:

Because bids awarded to “local” vendors contribute to the Gordon County tax base and promote the local economy, the Gordon County Board of Commissioners has determined that, under certain circumstances, such “local” vendors shall be provided an additional privilege when bidding against non-local vendors.

If a “local” vendor’s bid shall meet all specifications and is not more than four percent (4%) more than the lowest responsive and responsible bidder, the lowest bidding “local” vendor shall be given one (1) business day from the opening of such bids in which to notify the Purchasing Director that it agrees to match the low bid submitted by any non-local vendor. If such “local” vendor shall not agree to match the low bid, then the next lowest “local” vendor, if any within this specified category, shall be given one (1) business day there from to notify the Purchasing Director that it agrees to match the low bid submitted by any non-local vendor, and so on until all “local” vendors who fall within the specified category have had an opportunity to match the low bid.

This privilege or preference shall not apply to road construction or public works projects otherwise governed by Georgia Law or to the purchase of any other goods and/or services, for which such preference is prohibited by Georgia Law.

A “local” vendor for purposes of this section shall be defined as a vendor maintaining a physical presence within Gordon County, including, but not limited to the maintenance of one (1) or more offices within Gordon County with continuous employment of not fewer than two (2) persons at such office(s) for more than six (6) months prior to the submission of such bid.
