The Equipment has been leased by seller to buyer pursuant to a "lease" or "lease interest" and not a "lease" (in each case as defined under the Uniform Commercial Code). The relationship described in the lease as a lessor/lessee relationship is more accurately characterized as a lender/borrower relationship or a secured party/debtor relationship and Buyer has at all times during the Lease been the owner of the Equipment. This Bill of Sale is being provided for informational purposes only and represents a release by Seller of any and all of Seller's right and interest in the Equipment and is deemed executed for form and record purposes only and not a true transfer of ownership (which has been and remains in Buyer).

IN WITNESS WHEREOF, Seller has executed this Bill of Sale on August 16, 2012.
