Jim & Keith,

It has been brought to my attention that we need the County Commission or at least Madam Chairperson to officially designate the GEM Theater as an official courtroom. Also, would it be possible to designate the Gordon County Admin Conference Building as a courtroom while you are in the process of designations? The reason being that the Conference Room could be a backup plan to the GEM if their internet were to poop out on a day that we were holding Webex Court. I have spoken to Judge Scott Smith about this, and he is in agreement. Please call either one of us if you have any questions, concerns or a better ideas?!?!?! . Thank you!
