Please add the Kathy Cox Guardian Angel award to the agenda. This award is given out to public safety by Advent Health EMS every year. All public safety departments are asked to nominate one of their own. The year the award goes to E9-1-1 Corporal Misty Gurnee. The award will be presented by either Donald Bowen or Michael Etheridge and Kenny Cox. If it's ok I think doing it during the work session will allow participants to leave quicker and allow time for pictures. Just let me know how you think would be best. Thanks

Debbie Vance
