Annette,

We would like to request that the Board of Commissioners consider and declare the following items/equipment as surplus property:

1. Twenty two (22) *Stratton* uniform hats, tan, straw, assorted sizes.
2. Twenty nine (29) raincoats, assorted sizes, inscribed "SHERIFF"
3. One hundred and sixteen (116) *Safariland black, leather* pistol holsters (fitted for *Glock* pistols), right and left handed
4. Twenty three (23) sets of (used/outdated/beyond warranty) individual body armor, from various manufacturers and in various sizes and configurations
5. Eleven (11) leather patrol ('bomber' style) jackets

This equipment is all outdated, outmoded, and no longer suitable for our use.

Items 2. (raincoats) and 4. (body armor) shall be disposed of only to a legitimate law enforcement authority. In the absence of disposal to such an authority of Items 2. and 4. (only) within a reasonable amount of time, we request that we be allowed to destroy said property as it is not suitable for sale to the general public.

Thank you,

Robert L. Paris
