

April 23, 2021

Dear Commissioner, Hood

As a result of the Statewide changes to Regional EMS Advisory Council By-Laws (REMSAC) the Region 1 council has changed to new term dates and length of terms. The New term dates run from July 1-June 30 for a term period of three (3) years.

Attached is a DRAFT Copy of the new by-laws that are still to be executed by the Region 1 Council Chair and DPH Commissioner Toomey.

Based on the new criterion for appointment, we will need you to either re-nominate your current representative, whose term on the Northwest Georgia Region 1 Emergency Medical Services Council will expire on June 30, 2021 or nominate a new representative. The positions are not automatically renewed and require a renewal or replacement decision from you.

The current representative whose term is expiring is **Bud Owens**

Please let us know about your decision by June 15th, 2021 by completing the attached nomination letter.

Your options are:

1. Reappoint Mr. Owens for another 3-yr. term ending June 30th, 2024.
2. Appoint a new representative from the recommended stakeholder list and send us his/her contact information for a term ending in June 2024.

Sincerely,

William Pitt, NRP, Council Chair

David T Foster III, MLS, Paramedic – Region 1 OEMS Director

**Please USE THE ATTACHED APPOINTMENT Letter
when submitting appointments, even if you must do a resolution at the
commission level. Thank you**
