Annette,

We would like to request that the following property be declared surplus, as it is outdated/no longer suitable for our use:

1. *Decatur* Genesis I Radar Unit, serial number **G25112**, accompanying tuning forks, remote control device, (front) antenna serial number **GK34163**, rear antenna serial number **GK31925**, and extension cable; with the additional request that this property be donated directly to the City of Adairsville Police Department.
2. One (1) 1995 *Chevrolet* K1500 'Tahoe' VIN **1GNFK16K9SJ310025** 4WD automobile, provided however that this vehicle be sold pursuant to extant law(s) and the proceeds returned to Sheriff's Office Asset Forfeiture Account(s), as this vehicle was originally acquired as a result of an asset forfeiture.

Thank you,

Robert L. Paris
