RE: 2021 LMIG Safety Action Plan

Dear Chair Hood,

The Department has approved the County's application for additional LMIG funding assistance for the *2021 LMIG Safety Action Plan*. The Department will commit **\$175,000.00** toward your projects. A Local Match of **30%** is required. These funds are for signing and marking, raised pavement markers (RPM's), rumble strips and minor shoulder widening improvements as identified on the approved LMIG application and project list. GDOT Standard Specifications are to be followed.

These funds will be in addition to the regular yearly allocation of LMIG funds. The Department has initiated the payment process in order to provide the funds as soon as possible.

Once your GDOT approved projects are finished, please update your project list with GDOT approved projects that were actually completed and submit it, along with a completed Statement of Final Project Expenditures form (see attached) and invoices to LocalGrantsProgram@dot.ga.gov or to the address below:
