

**GORDON COUNTY, GEORGIA
MEMORANDUM**

To: Board of County Commissioners
From: Regan Bramblett
Subject: On-Demand Engineering
Date: September 17, 2021

Gordon County Public Works (GCPW) accepted sealed written bids from qualified engineering firm(s) licensed to practice in the State of Georgia to provide “on demand” engineering services to support the GCPW department on an as needed basis. The scope of work may include, but is not necessarily limited to: Hydraulics and Hydrology Engineering, Structural Engineering, Geotechnical Engineering, General Engineering, Project Management, Environmental and Permitting Services, and Construction Administration and Inspection.

The proposal was posted on the County’s web site, the State of Georgia procurement website, and advertised in the Calhoun Times on 08/04, 08/11, 08/18, and 08/25/2021. The deadline to submit the sealed bids was 2:00 p.m. on 09/01/2021. County staff opened the proposals received at that time in a public opening. Below are the firms that submitted proposals:

Submitter:
Peoples & Quigley, Inc. (Sandy Springs, GA)
American Engineers, Inc. (Acworth, GA)
Stantec Consulting Services (Atlanta, GA)
EXP US Services, Inc. (Rome, GA)

RECOMMENDATION

After careful review of the proposals submitted, County staff recommends EXP US Services, Inc. and Peoples & Quigley, Inc. Entering into contracts with these two vendors will not cost the County any money unless they are called on for assistance.
