RE: Funding Assistance for Trimble Hollow Road/State Route 3 Intersection improvements

Dear Chairman Hood:

The Department has approved the County's request for funding assistance for intersection improvements on Trimble Hollow Road at State Route 3. The Department will commit up to **\$315,000** or **70%** of the project cost, whichever is less. The project will be funded out of the Department's Local Maintenance & Improvement Grant (LMIG) Program. These funds will be in addition to any other LMIG funds allocated to the County. Failure to begin the project before November 1, 2022, might result in the cancellation of funds.

In order to receive the funds, the County will need to submit the following items:

1. Application (see attached)
2. Approved encroachment permit from GDOT
3. Bid tabulations for the work

Please submit required information to wwright@dot.ga.gov or the address below:
