Annette, after a year off, the FY 2021/22 Class of Youth Leadership Gordon County would like to visit the County Commission meeting on the 7th of December 2021.

Due to continual on-going concerns with COVID, we have reduce this year's class to 34 seniors which represent three High School systems in Gordon County. (Calhoun, Gordon Central, and Sonorville. Georgia Cumberland-Academy choose not to participate this year.) These students represent their school systems as prospective future community leaders.

I would anticipate at least 40 members to be in attendance which includes the students and the class sponsors.

If possible, we would like to arrive 30 minutes early to allow some personal interaction between the students and Commission. As always , a class picture with the commission would be welcomed.

As always we look forward to visiting our community leaders. Please advise if this is acceptable to the Board. Thanks, Larry

Larry,

Yes the Board welcomes the Youth Leadership to attend the December 7 Board meeting. It will be held in the main courtroom of the courthouse at 6:00 p.m. The class may show up early and it is possible the Board members would be available then but it's hard to know for sure, It is depending upon how long their work session lasts that is held before the Regular meeting at 6:00 p.m.

Thanks-Annette
