P.O. Box 753 Calhoun, Georgia 30703

Address of organization

Subject matter which you wish to discuss and a statement as to what you desire to have done:

Resurfacing of all roads and cul-de-sacs within Willow Grove Subdivision (aprox. 3.5 miles of road surface).
Roads have not been maintained since construction began over 10 years ago. All construction of homes has
been completed. Current road conditions are uneven, cracked and are breaking down creating hazards to
residents.

Do you expect to make a complaint, or report of improper action on the part of any department or
official or other employee? YES NO

If yes, please list the name and title of that person or department

Give reasons for your complaint or request. Give dates, places and what was done or not done and
why you consider it to be improper or in need of improvements.

Lose road debris and uneven surfaces are creating a hazard to pedestrians and cyclists. We have had reports
of cyclist, mostly children, falling due to lose grit and pedestrians stumbling on uneven surfaces. Further
deteriorations could potentially lead to more costly injury, damage and/or repairs.
